On June 11-12, 2012, the ACG Tennessee and ACG Kentucky chapters will host the 2012 Mid-South ACG Capital Connection in downtown Nashville. While the event has been successfully hosted by the ACG Tennessee chapter in Memphis four times previously, this is the first time that the conference will be held in Nashville and is the first joint conference with ACG Kentucky. The combination of ACG chapters in Tennessee and Kentucky brings U.S. middle market M&A professionals together in one dynamic event.
